### **Reduced Program Fee for South Snohomish County Residents**

Thanks to a generous grant from the Verdant Health Commission, families who live in Public Hospital District No. 2, Snohomish County are eligible for a reduced program fee. For info, visit [www.peps.org/programs/verdant-grant](http://www.peps.org/programs/verdant-grant).

Since 1983, PEPS (Program for Early Parent Support) has helped parents connect, grow and share the joys and challenges of parenthood with parent support programs that educate, inform and create community. PEPS has become a vital resource for new mothers and new fathers in the Puget Sound region, with parent groups serving thousands of families annually. PEPS is a 501(C)(3) nonprofit organization.
