"As someone with no family nearby and whose friends-with-kids are all several states away, I count myself as so fortunate that a PEPS Group was available to me when I gave birth to my first child. I looked forward to our weekly meetings. Sometimes they were the one sane spot in an otherwise chaotic week."

~ Hollis Vaughen, 2005 PEPS participant

"PEPS is invaluable. I always tell people, particularly
 expectant or new parents, that PEPS is one of the best
 things they can do for their babies and themselves. We
 are so happy to have met such wonderful friends
 for our kids and ourselves."

~ Katie Weinmann, 2003 PEPS participant

**PEPS' mission is to provide
community-based programs that
enable parents of infants and young
children to meet the challenges of
parenting through mutual support
and shared information.**
