

As PEPS moves into our fourth decade of parent peer support, our focus is on the future. Supporting parents of infants and young children to meet the challenges of parenting is our mission and responsibility - but it is your support that ensures the health and well-being of local families, forever.

PEPS Legacy Circle

PEPS Legacy Circle Members make a lasting statement of their compassion for children and their families as they name PEPS as a beneficiary in their will, living trust, life insurance, or retirement plan, and through other deferred arrangements, such as gift annuities and charitable trusts.

By creating a legacy gift to benefit PEPS you

- make sure that future families have the support they need to thrive.
- make a permanent statement of your values. It is by this act that the world will remember you, what you cared about and what you stood for.
- send a powerful message about the importance of supporting our services succeeding generations of families
- ensure that our mission will be sustained far into the future for all families in our regions.

‘I have included PEPS in my will because I can't imagine how life would have turned out without the support and lifelong friendships I made through PEPS. I take comfort in knowing that when I pass on, I did everything financially possible to ensure other moms and dads get to experience PEPS as well. It is my hope that PEPS can eventually bring their amazing support model to the rest of the nation. Hopefully this future donation will help make that happen.’ ~ Kimberly McDonald, PEPS alumna
